

## Career Development

### WHERE DO OBU GRADUATES GO?

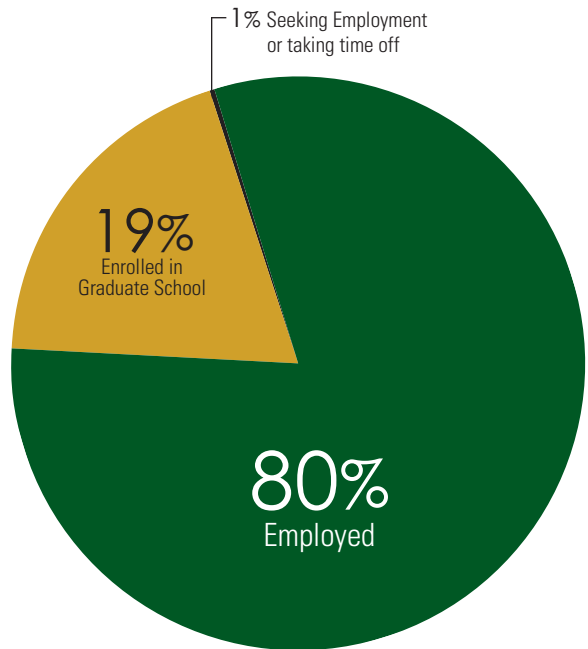

#### OVERVIEW

Graduates from the 2019-20 academic year were given a post-graduation survey which addressed plans for graduate school enrollment and employment upon graduation.

#### DESTINATION OUTCOME

The Office of Career Development acquired career outcomes for 286 (80% knowledge rate) of the students. Respondents indicated that 80% had accepted employment, 19% were seeking further education, and a total of 1% was seeking employment or taking time off.

99% of the Class of 2020 are employed or enrolled in graduate school.

\* Academic year refers to all graduates, completing degree requirements in December and May.

\* Knowledge rate refers to the percentage of graduates for whom knowledge of their first-destination career outcomes has been obtained. This includes survey data provided by students, LinkedIn profile information and knowledge shared from academic departments.
