

## Career Development

### WHERE DO OBU GRADUATES GO?

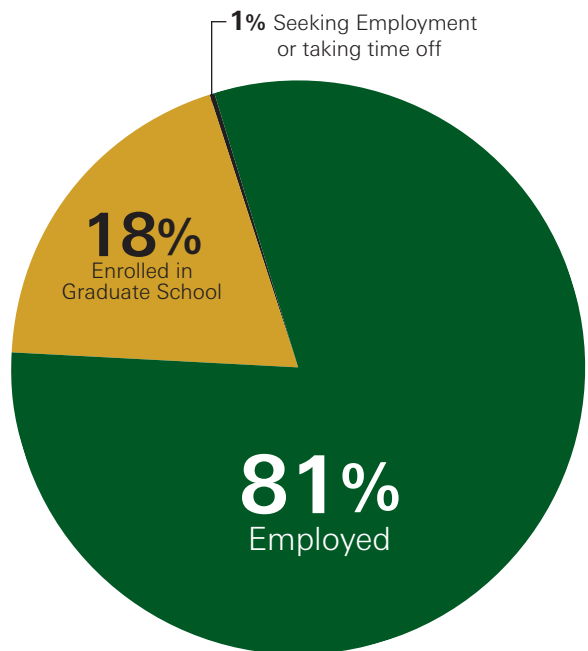

#### OVERVIEW

Graduates from the 2020-21 academic year were given a post-graduation survey which addressed plans for graduate school enrollment and employment upon graduation.

#### DESTINATION OUTCOME

The Office of Career Development acquired career outcomes for 276 (81% knowledge rate) of the students. Respondents indicated that 81% had accepted employment or were not seeking, 18% were seeking further education, and a total of 1% was seeking employment.

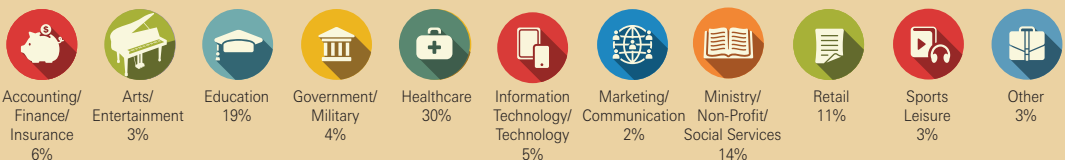

**99% of the Class of 2021 are employed or enrolled in graduate school.**

\* Academic year refers to all undergraduates completing degree requirements in December and May.

\* Knowledge rate refers to the percentage of graduates for whom knowledge of their first-destination career outcomes has been obtained. This includes survey data provided by students, LinkedIn profile information and knowledge shared from academic departments.
