

**Faculty Adviser Approval of Student Research Form
Oklahoma Baptist University Institutional Review Board**

Student Researcher Instructions:

Fill in researcher's name(s) and the title of the research project below. Discuss the completed research proposal with your faculty adviser and after completing revisions which may be requested by your adviser, obtain the adviser's signature indicating that you may seek IRB approval for your research project. Submit the following forms online to the OBU IRB Chair based on your research subjects, either human or vertebrate animal.

1. Human Research Subjects:
 - a. *Faculty Approval of Student Research Form*
 - b. *Human Subject Research Proposal*
 - c. *National Institutes of Health (NIH) Researcher Training Certificate of Successful Completion*
 - d. *Informed Consent Form*
 - e. Any researcher-created instruments such as surveys, tests, etc.
2. Vertebrate Animal Research Subjects:
 - a. *Faculty Approval of Student Research Form*
 - b. *Vertebrate Animal Research Proposal Form* with signature indicating researcher(s) have read and will abide by the *U.S. Government Principles for the Utilization and Care of Vertebrate Animals Used in Testing, Research, and Training*.
 - c. Any researcher-created instruments

Student Researcher(s): _____

Project Title: _____

I, _____ (printed name of faculty advisor), have met with the student researcher(s) listed above and reviewed the completed research proposal with respect to research subjects, methodology, instruments, presentation and informed consent, if required. In addition, I have reviewed the proposal for grammatical and spelling errors and have informed the researcher(s) of corrections needed before submission to the IRB. I hereby grant permission for the student to seek IRB approval for this project.
