Consent to Serve as a Research Subject

I consent to participate in the research project titled (project title) conducted by (researcher) under the sponsorship of (sponsoring group, if applicable) at Oklahoma Baptist University. I understand that results of this research will be coded in such a manner that my identity will not be attached physically to the data I contribute. In addition, I realize that the purpose of this project is strictly to examine (topic of research). I understand that the results of this research may be published or otherwise reported to interested bodies, but that I will not be identified in any such publication or report. I understand that my participation is voluntary, that there is no penalty for refusal to participate, and I am free to withdraw my consent and discontinue participation at any time. I understand that this project does not involve any significant risks to me, the participant. I also understand that it is not possible to identify all potential risks in a research project, but all reasonable safeguards will be taken to minimize the potential risks. In addition, I understand that the collected data will be stored in (written, electronic, etc.) format for (time period), after which it will be destroyed. If at any time I have questions about any procedure of this research project, I understand that I may contact (researcher) at (phone number and/or email) and/or the researcher's advisor (researcher's advisor's name) at (phone number and/or email).
